Dear Mr. Blais:

It is a pleasure to thank you for the Blazeman Foundation for ALS's recent pledge payment to Northwestern University Feinberg School of Medicine. This gift, in support of the Blazeman Foundation Post-Doctoral Fellowship at the medical school, is excellent, and enables Dr. Kaouther Ajroud the opportunity to continue research investigating ALS. Your contributions truly are helping to shape the next generation of ALS research.

At the Feinberg School, discovering new prevention and treatment options for ALS is a top priority. Along with Dr. Teepu Siddique, Dr. Ajroud works tirelessly toward this end, and it is thanks to generous support like yours that these efforts are sustained. Thank you, as always, for your continued leadership in giving.

Best regards,

J. Larry Jameson, MD, PhD
